Re: Your letter dated March 12, 2012 to Michael W. Laphen

Dear Ms. Crider:

Your letter to our former Chairman of the Board, Mr. Laphen, was referred to me.

We appreciate your organization's recommendations with regard to CSC's Corporate Responsibility Program. However, CSC's Board of Directors and executive leadership have a corporate responsibility program that fosters CSC's growth by promoting and increasing the value of the company to its shareholders, clients, communities and employees. As such, individual pledges on specific topics, such as requested in your letter, are not within the framework of CSC's corporate responsibility program.

You may access CSC's corporate responsibility program and reports via the website at <http://www.csc.com/cr>.

Very truly yours,
